**Dear Hiring Manager,**

Taken away by the brand value and powerful business solutions tailored to the client's need, that match my skills and aspirations, I am impressively attracted to be part of your organization.

My name is Jayaprakash Gedela and fresh Graduate in Computer Science Engineering (DATA SCIENCE) (B. Tech) from Nadimpalli Satyanarayana Raju Institute of Technology in Visakhapatnam with strong analytical, Decision Making, and technical abilities. I have to wait for Notifications on Internships for three months and it's my dream to work in the finest Company like Infosys.

With Strong Determination and Confidence, I aspired to be a Data Scientist. I am currently pursuing a B. Tech degree in Data Science and I am here to acquire full knowledge of the Data Science field as part of your Internship and Experience Hands-on Sessions. Now Data Scientists are the stakeholders of every company in this Present Market Critical Thinking and Decision Making is Essential for Data Scientists. I hereby seek to Intern at your Organization and eventually, should my capabilities meet the requirements, become part of the esteemed Organization. This internship would help me grow my real-world experience in the technology industry and help me further.

I have enclosed a copy of my resume for your consideration. I look forward to having further discussions with you about my application.

**Sincerely,  
Gedela Jayaprakash**
